

Project initiatives as part of the NTSSS Employment Pathway Program for **Aboriginal and Torres Strait Islander NDIS Service Providers and Workforce**

## Aboriginal and Torres Strait Islander CCO Management Capability

### Growing Emerging new Talent

For this project, Strategix will deliver a **Diploma of Leadership and Management** to **25 emerging leaders and managers** to help build on emerging talent within Aboriginal and Torres Strait Islander Community Controlled Health Organisations in order to enhance management capabilities.

Julie Allen, Douglas Graham and Fiona Hawthorne

### Making NDIS accessible in Communities

This project will deliver a **Telehealth Administration Skill Set** to 15 Managers and Allied Health Professionals working at Apunipima Cape York Council, led by TAFE Queensland.

This project aims to

1. upskill workers to support the implementation of Telehealth services across regional and rural areas of Far North Queensland and;
2. provide greater access to NDIS services for Aboriginal and Torres Strait Islander peoples.
