

# NDIS Jobs Roadshows

A project initiative as part of the NTSSS Employment Pathway Program

## Project Profile:

### Connecting Job Seekers and Employers

NDIS Jobs Roadshows are mass recruitment events that aim to fill a wide variety of jobs in the local disability sector. Online events are taking place at Brisbane, Logan/Redlands Ipswich, Gold Coast, Sunshine Coast, North Queensland, while face-to-face events are being held for Hervey Bay and Maryborough.

### Industry Demand

Up to **36,000 new workers** are needed in the Queensland disability sector to meet the projected growth of 91,000 NDIS participants.

### Project Aim

The event provides a **one-stop industry shop** for job seekers, students and graduates to hear about a typical day working in disability, courses to boost employment options and jobs that are currently available right now.

**Speed interviews** will take place as part of the event to bring job seekers one step closer to landing a job.
