

Quality, Safety and Participant Choice

A project initiative as part of the
NTSSS Employment Pathway

Project Profile:

Industry Resources for Better Service Delivery

For this project an **online Compliance Learning Program** will be developed by **Projects for Purpose** through Industry and participant co-design.

Project Aim

This project aims to **improve current NDIS Service provider capability** and future compliance with the NDIS Quality and Safety Framework.

The Learning Program will be non-accredited and will consolidate and link to information on quality and safety that already exists.

Resources

This online Compliance Learning Program will be available as **free Industry resource** for use by NDIS service providers on the WorkAbility website.
