

Peer Work Student Mentoring

A project initiative as part of the NTSSS Employment Pathway Program

Project Profile:

Peer Work Student Mentoring Program

For this project, a collaboration between **Queensland Alliance for Mental Health (QAMH)**, **Queensland Lived Experience Workforce (QLEWN)** and **TAFE Queensland** will support 25-30 students to complete the **Certificate IV in Mental Health Peer Work**.

Supporting Emerging Workforce Needs

Peer workers are an **increasingly important part of the mental health workforce** due to **growing demands within the sector and a shifting trend** in providing **person-centred peer support** and care to individuals.

Project Aim

This project provides **peer mentoring leadership** to students from **project officers with lived experience**. Students will be guided to **successfully compete the Certificate IV in Mental Health Peer Work** course with dedicated **individual and group support** and to find meaningful **placement opportunities**.
